health conscious beauty

Our Mission at Surrender is to care for you and the world we live in, from the products we recommend, to the beauty rituals we provide. We offer a buffer from the outside world; a place to renew from head to toe that embraces a perfect balance between inner and outer beauty.

We are here to assist in your ever evolving journey, and are deeply committed to your radiance and well-being.

Surrender is a full-service hair salon, day spa and eco-boutique. All our products are eco-friendly.
